- Computing/ICT
- PE

English in Year 2

- Reading (including Phonics)
- Writing
- Grammar
- Punctuation
- Spelling
- Handwriting

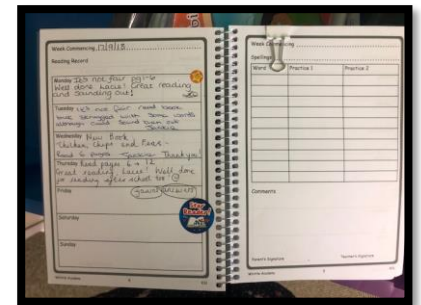

Children will have a 1 hour English lesson every day in Year 2. Their phonics/spelling and reading lessons will be additional to this but also on a daily basis.

Reading

Key objectives:

- Read words accurately and fluently.
- To read unfamiliar words accurately without overt sounding or blending.
- To know the difference between fiction and non fiction.
- Talk about the meaning of words in texts they read.
- To answer questions and make inferences about what they have read.

Reading diaries and folders should be brought into school every day.

The reading diary has lots of additional resources such as sound charts and spelling lists. Is also an excellent way of communicating about your child's learning – we love to hear about what books they have enjoyed!

Children should read at home as frequently as possible (at least 3 times a week)

Books will be changed once a week.

Reading – 60 Second Reads

Paul the Lucky Octopus

- 10 Over the past few weeks, Paul the Octopus has been
19 predicting the result of the World Cup football games.
23 He's an amazing animal!
- 32 Before each match, the sea creature's owners have been
41 putting some clear, plastic boxes into Paul's tank. Each
51 box is decorated with the flag of a football team.
- 61 Paul has been choosing one of the boxes by crawling
71 towards it and he has correctly guessed the winner of
81 six football games so far in the World Cup competition.
- 92 Is Paul a football expert or just a very lucky octopus?
96 What do you think?

Quick Questions

1. What does Paul predict the results of?

2. Which adjectives has the author used to describe the boxes in Paul's tank?

3. Why do some people think Paul is a football expert?

4. What do you think – is Paul just a lucky octopus?

Writing (including grammar & punctuation)

Key objectives:

- To say sentences out loud before writing them and checking that they make sense.
- To use full stops and capital letters correctly.
- To write for a range of purposes e.g story, information text, instructions, letters.
- To use co-ordination (*and, or, but*) and some subordination (*because, when, if*) to join clauses
- To use the past or present tense consistently.
- To use expanded noun phrases to add description. E.g. *the blue butterfly*
- To proof read their own work for errors

We will be teaching children to use the cursive style of handwriting in Year 2.

Here is an example:

The quick, brown fox jumped over the lazy dog.

Spelling:

Key objectives:

- To segment spoken words into phonemes and represent these by grapheme, spelling many of these words correctly and making phonically-plausible attempts at others.
- To spell many common exception words.

There is a list of the statutory spellings at the back of their diaries for them to learn.

Year 2 Common Exception Words							
door	child	cold	pretty	grass	improve	whole	half
floor	children	gold	beautiful	pass	sure	any	money
poor	wild	hold	after	plant	sugar	many	Mr
because	climb	told	fast	path	eye	clothes	Mrs

Maths

In Year 2 we continue the exciting way of teaching Maths which children are used to from their time in Year 1. Based on extensive research into the Singapore style of Maths teaching, 'Maths No Problem' incorporates the use of practical resources, problem solving and group work in a fun and engaging way.

ADD THREE NUMBERS

Can you add to find out how many flowers there are in total?

Maths

Key objectives:

- To understand the value of each digit in two and three digit numbers.
- To add, subtract, multiply and divide with numbers up to 100.
- To count in 2, 3, 5 and 10s and know related number facts.
- To tell the time to the nearest 15 minutes.
- Can describe the properties and 2D and 3D shapes.
- To solve real life problems relating to all four operations, using different units of measure.

Science

- To inspire a sense of excitement and curiosity about the world around us
- To develop scientific skills including questioning, investigating, observing and drawing conclusions
- To develop scientific knowledge and understanding
- To use scientific concepts to explain everyday occurrences
- To explore and appreciate the work of a range of great British and World scientists

Physical Education (P.E.)

It is a statutory subject and some sessions will be taught by CV Life so that children can participate in local competitions. Areas covered include: dance, gymnastics, athletics, team games, yoga

Children's PE kit should include:

- ✓ A white t-shirt
- ✓ Black shorts/jogging bottoms
- ✓ Black pumps or trainers
- ✓ no jewellery
- ✓ long hair must be tied back

We ask for appropriate footwear (trainers) to enable the children to use the school field when needed and to ensure that their school shoes do not get muddy or damaged.

Children will be able to take their water bottles into their PE sessions so please ensure that these are already in school.

Children will need to bring their PE Kits into school in a named bag.

P.E. lesson will take place on Monday and Wednesday for 2KC, Monday and Thursday for 2EG and Wednesday and Thursday for 2KS this term.

Home Learning

Every child in the school has a diary/school planner. Parents are encouraged to write in planners and use them to communicate with their child's teacher. These planners also act as reading records and will contain weekly spellings.

Homework at Inspire comprises both compulsory and optional tasks:

- **Reading** - We expect the children to read regularly at home throughout the week. For younger children, this will be to an adult, and for older children this may be on their own and then using parents to ask questions about aspects of the book they are reading. (Please record each time you have listened to your child read/ ask questions in their reading diary.) Whatever kind of text you've shared (it might even be an online article or leaflet) please do pop a note/signature in their diary. Children will also have access to the 'Reading Eggs' app.
- **Maths and English (recommended home learning)** - This term we would like to continue to set home learning each week electronically. Teachers will post links onto Class Dojo suggesting an online lesson, game or activity that will consolidate their learning for that particular week. This will enable children to build, extend, apply their knowledge and support the important 'stickability' of learning.

Absence or illness

- Please phone school on the first day of illness
- Please limit appointments in the school day if possible
- Holiday requests during term time – only approved in exceptional circumstances!

- Medicines in school

- Asthma inhalers – labelled please! (Asthma cards to be completed)
- Any medicine (prescription or non-prescription) needs to be submitted to school via the office.
- Please speak to Mrs Sparrow about a healthcare plan

Additional information

- **Rewards** – Dojo points (individual and whole class prizes), individual merit awards, postcards home and stickers
- **Class Dojo communication** – Please use the app to keep up to date on information on whole school events, letters and messages. Please also look out for posts from the class teacher with photos and celebrations of the children's learning and achievements.
- **Diary Dates**

If you have any worries or concerns please contact class teachers or pastoral staff through the school office or at the start and end of the school day. Messages sent on Class Dojo will be checked by the class teacher during their working hours and they will get back you as soon as possible.
