# Nurturing Hearts Inspiring Minds Shaping Futures

We are busy bees. Our school is our hive. Every bee is unique and valued. Where everyone works together, the hive thrives. We are bold. We are brave. Learning is a constant buzz of excitement. Like a family of bees, we empower each other. We all fly high.

# Learning through play

- Play is the way children of this age learn.
- Many of the play activities are leading towards skills in reading, writing and maths.
- Play encourages communication between children.
- Friendship and co-operation.
- Children become explorers.

# What does learning through play look like?

"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning."

—Mr. Rogers

# Outdoor Learning

- We will be outside everyday.
- Your child will need appropriate clothing.
- Your child will get messy!

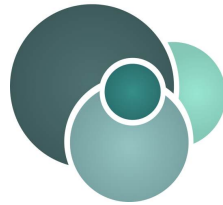

# Reading and Writing

- All our reading and writing is taught through a phonics scheme called Read Write Inc.
- Read Write Inc. encourages children to know all their single sounds first (phonemes) and then moves on to blending the sounds to support reading.
- In September, your child will be bringing home a book to share with you.
- Once they have learnt their sounds and are beginning to blend some simple words they will be given a reading book from the reading scheme alongside some high frequency words to take home.

- Lunch
- Carpet time
- Read Write Inc. (phonics)
- Free-flow and adult-led activities
- Carpet time (story/singing) and getting ready for home.

# Tapestry – Online Learning Journals

- An Online Learning Journal System
- EYFS Staff record children's learning and progression using Kindles and iPads
- Parents can view their child's journal on mobile devices, tablets and on home computers at any time!
- Parents can comment on observations or even add their own!
- Parents can only view observations of their child (or with permission group/class observations)
- You will receive a notification that a new observation has been added and you will be able to view it.

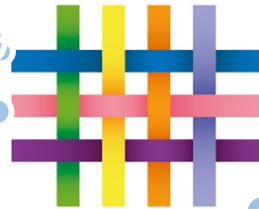

# Why do we use Tapestry?

To enhance two way communication between us (EYFS Team) and you (parents/carers)

We can upload photographs and videos of what your child enjoys doing in school.

As you will be increasingly more aware of your child's learning and progress in school you will have greater opportunities to extend learning at home.

Children's learning and progress can be shared easily with working parents and extended family members (including those living overseas).
