

SEND Newsletter

Stockingford
Academy

September 2024

Welcome back!

At Stockingford Academy, we pride ourselves on working in partnership with families to support all children, especially children with Special Educational Needs and/or Disabilities (SEND).

Each month, you will receive our SEND newsletter or you will be invited to a family meeting. These are for all families with or without a child with SEND.

Our SEND newsletter will explain a different area of SEND within our school in 'Spotlight on...'. You will also receive information about upcoming events or courses that may be of interest. The newsletters will be shared with you each half term.

Family coffee meetings will also be held on a half-termly basis. All families are welcome to attend in order to ask questions, seek advice and meet other families in an informal, friendly and caring environment. Other professionals may attend too, in order to offer further support.

At Stockingford Academy, we operate an 'Open Door Policy'.

If you have any questions or concerns about your child (with or without a diagnosis of SEND), you can contact:
