## SPOTLIGHT ON....

This half term, we shine the spotlight on....

### **The Haven**

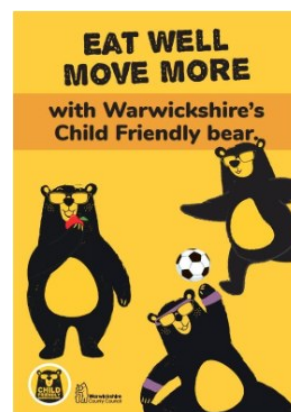

**The Haven**  
Stockingford  
Academy

The Haven is one of our Enhanced Resource Provisions at Stockingford Academy. The primary need for children in the Haven is Communication and Interaction. There are 8 places and this is allocated by the local authority for children with an Education and Health Care Plan, not through the usual school admissions pathway. The dedicated team within The Haven provide a personalised and nurturing environment for children.

Recently, the Haven were requested to showcase their amazing provision by the local authority. Watch the video to find out more—

Warwickshire County Council is supporting families to make healthier choices through the Eat Well, Move More campaign, helping children build lifelong healthy habits.

Nurturing healthy habits from an early age is fundamental to building a strong foundation for children as they grow up.
